## STILTDANCE

Spectacular Design

### Flowers

Creating the atmosphere of a lush, surreal garden the EMPRESS Flowers ooze glitter and girlish charm.

Graceful, funny and very charming the Flowers are a favourite at any event. Gorgeously colourful.

Take them anywhere!

Best as walkabout and **great** under neon lighting.

\* As duo or solo.

\* 3 x 30 or 2 x 45 minutes over 4 hour period.
